THE HON'BLE SRI JUSTICE V.V.S. RAO

WRIT PETITION No.27074 of 2006

ORDER:

Petitioner's father was allegedly owner of land admeasuring Acs.2.00 in survey No.127/150 situated at Amerdha Village (hereafter called, subject land). The land was proposed for acquisition for Heavy Water Plant (HWP), Aswapuram. During enquiry, a notice was issued on 05.06.2002 to the petitioner by second respondent. In the enquiry, the petitioner was told that the land in survey No.127/150, which was proposed for acquisition, was not in the name of petitioner's father and that the name of the petitioner was deleted from the list of land losers for the purpose of rehabilitation scheme in HWP. Petitioner, therefore, filed a representation on 07.11.2005 before first respondent seeking rectification of the land loser certificate. As no orders are passed thereon, instant writ petition is filed seeking a direction to the respondents to rectify the mistakes and issue correct land loser certificate to the petitioner to enable him to claim employment as per Government Memo No.813/ID/81-2 dated 31.07.1981.

The matter was initially listed on 29.12.2006 and the same was adjourned to enable the learned Assistant Government Pleader for Revenue (General-T) to get instructions in the matter. Today, after getting instructions, the learned Assistant Government Pleader submits that an enquiry was conducted by second respondent after giving notice to the petitioner and that the petitioner was informed that the land in survey No.127/150 was not found in the list of the land losers. He, however, does not dispute that the representation made by the petitioner to first respondent is pending. Therefore, said representation of the petitioner has to be looked into either by first respondent or second respondent immediately. If necessary first respondent may communicate the representation of the petitioner to second respondent, who shall again verify the entire land acquisition record and if the petitioner's land was acquired for HWP, rectify the land loser certificate.

The writ petition, with the above observations, is accordingly disposed of. No costs.
